

MATT'S KIDS

GROUP CONTENT

We love to welcome kids and families at St Matt's and our vision is for the kids at St Matt's to have lots of fun, make deep relationships and

LOVE JESUS and TRANSFORM EXETER.

We believe the youngest to the oldest child in our church family can experience God and have a relationship with him, flourishing in the knowledge they are known and loved by their creator

We encourage children to meet with the Holy Spirit through prayer, worship, story telling and activities in each of our Matt's Kids sessions.

Church is the family of God and we encourage families of all shapes and sizes to find a home at St Matt's. We want to create an environment for all children, no matter what their needs might be or what their start in life has looked like, to be able to encounter Jesus and explore faith.

We draw upon the bible verse John 7 v 38

If a person believes in me, rivers of living water will flow out from their heart.

We are excited to walk with your child on their faith journey to see them meet Jesus and go out to transform their own worlds.

PUDDLE JUMPERS

Our puddle jumpers session begins with free play with the toys in the room. Then we have a time to worship and look at the bible story together. We then pray in a fun interactive way and finish the session with craft, playing and other activities.

SPLASH

In our Splash Group we will begin with worship and team time together with the Drench group.

We then explore the bible together, each week we will use a different way to look at a story from the bible, encouraging all styles of learners to be able to get involved.

We will then have activities that link to our story time. This will include prayer, games, craft and activities.

DRENCH

Our Drench kids will begin the session with worship and team time with the Splash kids. We encourage our year 5 kids to be junior leaders for the Splash group, giving them age appropriate responsibilities in this time.

We then go to the stage room where we explore the bible together, ask questions and have a variety of fun activities including craft, games and questions.

If a person believes in me, rivers of living water will flow out from his heart.
